

The Star Spangled Banner (The National Anthem)

Oh, say can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh, say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave!

We Can Live Together Written and sung by Stinson Pedro Vallery

(Stinson sings)
There are many countries in the world
Each of them has their own culture
Sometimes, some of them are merged together
Today, it's an example for the Adult Education Center
Although we're from different countries
We are all here for the same reason

(All sing)
We can share same ideas and many things
If we understand each other
We can share same ideas and many things
If we understand each other

(All sing)
I'm from Haiti and you're from Africa
He's from South America and others are from Europe
The only thing that I know
If we want we can live together
Because we are all here for the same reason

(Stinson sings)
Let's join hands together
Don't forget that we are brothers and sisters
Let me show you my culture and then, you'll show me yours
Tolerance is the key to join us
Understanding is the way to show us to live together

(All sing)
We can share same ideas and many things
If we understand each other
We can share same ideas and many things
If we understand each other

(All sing)
I'm from Haiti and you're from Africa
He's from South America and others are from Europe
The only thing that I know
If we want we can live together
Because we are all here for the same reason

LEAN ON ME

INTERNATIONAL FRIENDSHIP DAY 2017 THEME SONG

Bill Withers

Sometimes in our lives we all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on

Please swallow your pride
If I have faith you need to borrow
For no one can fill those of your needs
That you won't let show

You just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on

You just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

If there is a load you have to bear
That you can't carry
I'm right up the road
I'll share your load

If you just call me (call me)
If you need a friend (call me) call me uh huh(call me) if you need a friend (call me)
If you ever need a friend (call me)
Call me (call me) call me (call me) call me
(Call me) call me (call me) if you need a friend
(Call me) call me (call me) call me (call me) call me (call me) call me (call me)
